Power of Love in Action Worksheet®1

These are some of the ways people can be kind and bring the power of love into each other's lives. Some I need to work on.

Ingredient	How important	Group important	Self - assessment	Present situation	Future
All of these contribute to being kind	5 = most important, 1 = least important	Which ingredient does the group think is most important? 5 votes each	5 = High Quality 1 = Needs Improvement	What does someone do that is mean and causes another to feel bad?	What does someone do that is kind and causes another to feel good?
